Silent Auction Rules

- ❖ Bidding will close by section: Side A - 9:15pm, Side B – 9:45pm.
- ❖ The checkout area will open at 10:00pm
- ❖ All sales are final. No exchanges or refunds are permitted. Everything is sold “as is”. Please read specifications and limitations carefully. All items must be removed from the site on the night of the auction.
- ❖ Payment in full is mandatory for all auction items by the end of the evening of the auction. Cash, checks and all major credit cards will be accepted. Items may be paid for individually or collectively at the end of the evening. After payment is made, a receipt will be issued by the cashier. This receipt is needed to claim items.
- ❖ Fair Market Values have been estimated using sources we believe to be reliable. Collectibles (i.e. autographs) are difficult to determine and have been provided solely for tax reporting purposes. In most cases, donors who purchase an item over its fair market value may claim a charitable contribution deduction for the excess of the purchase price paid. **Please check with your own tax advisor as to the deductibility of the purchase of each item.**
- ❖ By his purchase, the buyer waives any claims for liability against either this organization or the donor of the property or services. Neither the organization nor the donor is responsible for any personal injuries or damages to property that may result from the use of the property or services sold.
